DATA DISCLAIMER

The original sources of the data (the Legislative Reference Bureau of the State of Wisconsin, the Wisconsin Democracy Campaign, Project Vote Smart, and various lobbying organizations) bear no responsibility for uses of this collection or for interpretations or inferences based on such use.

STUDY DESCRIPTION

This study includes all final floor votes on bills and biographical and other background information for each member of the Legislature. It encompasses the Senate and Assembly of the Wisconsin State Legislature for 2013-2014.

Legislator background data were coded in close approximation to the “Biographical Directory of the American Congress” (BDAC), 4th and 5th editions. Congressional Directories were used to code information about elected members of the named legislatures. Background variables include year of Senate or Assembly, member name, party, leadership position, committee membership, gender, age at beginning of session, born in Wisconsin or other state, born in or near the members district, member’s district, geographic region in which district is located, city of residence, year in which member was first elected to the legislature, religion, military service, margin of victory in last election, current and prior occupations, educational attainment (degrees received), ratings by active lobby groups, campaign funds received from within district, campaign funds received from outside of district, total funds received, and constituent group affiliations.

FILE DESCRIPTION

Data from each legislative session is stored in Microsoft Excel format. There are 2 Excel files in this study.

WA2013.xlsx (99 members and 210 variables) and WS2014.xlsx (33 members and 199 variables)
